

**For Immediate Release: Barrington, IL (March 12, 2009)**

**Bridgestone Keeps You on the Right Track with new  
Bridgestone Rubber Track Website**

Bridgestone releases a newly revamped website dedicated to Rubber Tracks at: [www.bridgestonerubbertrack.com](http://www.bridgestonerubbertrack.com). The visually appealing and user friendly site incorporates product focused information about Bridgestone Rubber Tracks for specific equipment types. New for this re-launch is the inclusion of product use and demonstration videos available for viewing as well as updated product brochures for available for download in PDF format. Although we do not sell our products through this website, there is a wealth of information available and contact information for Bridgestone Rubber Track Representatives around the world ready to assist our always expanding customer base.
